recorded in the Patent and Trademark Office at Reel 014604,
Frame 0580, on May 6, 2004.

Owner Henkel KGaA disclaims, except as provided below, the terminal part of the full statutory term of any patent granted on this application, which would extend beyond the expiration date of the full statutory term of commonly owned copending Application No. 10/763,086, as shortened by any terminal disclaimer filed before the grant of such patent. Henkel KGaA agrees that any patent granted on this application shall be enforceable only for and during such period that it and copending Application No. 10/763,086 are commonly owned, and that this disclaimer shall run with any patent granted on this application and be binding upon the grantee, its successors or assigns.

Henkel KGaA does not disclaim the terminal part of the full statutory term of any patent granted on this application that extends to the expiration date of the full statutory term of any patent issued from copending Application No. 10/763,086, as shortened by any terminal disclaimer filed before the grant of such patent, in the event that such patent expires for failure of maintenance fee payment, is held unenforceable, is found valid, is statutorily disclaimed or terminally disclaimed, has all claims canceled by reexamination certificate, is reissued, or is in any manner terminated before its full statutory term, as shortened by any terminal disclaimer filed prior to its grant.
